Phone answers 24/7

WHAT IS THE NARCOTICS ANONYMOUS PROGRAM?

NA is a non-profit society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. We suggest that you keep an open mind and give yourself a break. Our program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that THEY WORK!

HOW TO USE THIS LIST

This list is primarily broken into seven sections, one for each day of the week. Each day is then broken into rough geographic zones (areas). These areas are highlighted in bold, e.g. Beaver Valley on the top of page 1. The individual meetings are listed under their respective areas with the first meeting of the day first and the last meeting of the day, well, last. This is a typical meeting entry:

7:30 PM BUTLER - No Name Group - DISC, SPK - OPEN
Mental Health Association Center - 140 North Elm Street, Butler PA 16001

There is a lot of information in those two lines. The first line contains four sections of information separated by hyphens (-). The first section contains the meeting time and a more specific geographic area for the meetings location. Generally, this geographic area is the specific city, township, or "neighborhood" the meeting is in. The second section tells you the meeting's name. The next section includes letters or combinations of letters to describe the meetings format. The key below will help you decipher the codes. The final section of the first line includes other information about the group. This includes whether the meeting is closed (addicts or those that think they may be an addict only), whether the group is non-smoking and whether the group offers services for the hearing impaired, sight impaired, or physically impaired. The key below indicates the codes for this section also.

Generally, the second line of a meetings entry contains two sections, again separated by a hyphen (-). The first section indicates the building in which the meeting meets. This is generally the name of a church, recovery club, or hospital. The second section contains the specific address of the meeting including the formal city and the state. If there is only one section (no hyphen) then the entry in the second line is the meeting formal address. Here's how our example meeting entry above breaks out. The meeting is at 7:30 PM in the Butler area. The name of the group is the "No Name Group." It is a speaker and discussion type meeting. The meeting is non-smoking and does not have any facilities that are specific to the sight, hearing or physically impaired. The meeting meets at the Mental Health Association Center at 140 North Elm Street in Butler, Pennsylvania 16001.

KEY TO CODES

Twelve Steps of Narcotics Anonymous

1. *We admitted that we were powerless over our addiction, that our lives had become unmanageable.*
2. *We came to believe that a Power greater than ourselves could restore us to sanity.*
3. *We made a decision to turn our will and our lives over to the care of God, as we understood Him.*
4. *We made a searching and fearless moral inventory of ourselves.*
5. *We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.*
6. *We were entirely ready to have God remove all these defects of character.*
7. *We humbly asked Him to remove our shortcomings.*
8. *We made a list of all persons we had harmed, and became willing to make amends to them all.*
9. *We made direct amends to such people wherever possible, except when to do so would injure them or others.*
10. *We continued to take personal inventory, and when we were wrong promptly admitted it.*
11. *We sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us, and the power to carry that out.*
12. *Having had a spiritual awakening as a result of those steps, we tried to carry this message to addicts and to practice these principles in all our affairs.*

Twelve Traditions of Narcotics Anonymous

1. *Our common welfare should come first; personal recovery depends on NA unity.*
2. *For our group purpose there is but one ultimate authority – a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.*
3. *The only requirement for membership is a desire to stop using.*
4. *Each group should be autonomous except in matters affecting other groups or NA as a whole.*
5. *Each group has but one primary purpose – to carry the message to the addict who still suffers.*
6. *An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.*
7. *Every NA group ought to be fully self-supporting, declining outside contributions.*
8. *Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.*
9. *NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.*
10. *Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.*
11. *Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.*
12. *Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.*
